MESSAGE FROM THE PRESIDENT

Members,

Now that the COVID 19 restrictions are relaxed the club has started getting back to some sort of normality with regular weekly events and functions having started up again.

The club is running the bar again for our local UK Moerewa Rugby Team for all home games and we are grateful for the opportunity to support the team and really appreciate the players and supporters for supporting the RSA.

We have had some great nights with Karaoke and other functions with the bar turnover over the last month increasing significantly.

Unfortunately due to COVID 19 we still have not had last years annual accounts audited so we are waiting to receive these before we call our annual general meeting which we missed in March due to the club being closed.

We are in the process of organising another fundraising Club Day which is scheduled for Saturday 12th September. The theme for the day will be to raise money to replace our current courtesy van. We will keep you informed.

Finally thanks again for everyone who has been helping around the club and hopefully we are past the main cold and wet weather season.

Hector Davies
President

VOLUNTEER OF THE MONTH

Jaime Faulkner Luke

WELFARE

Sending our well wishes to the following members;

Bruce Bethell
Bruce Williams
Dave Stone
